

ACT!

Get in-depth training on ACT! by Sage at your convenience

At Sage, we know how important it is to quickly become efficient on your new software while still keeping up with your busy day. So we developed a new Anytime Learning course, ACT! Essentials Library, just for users like you.

The ACT! Essentials Library is a collection of online videos that you can access for 12 months. These videos cover all the basics you need to know, and are recorded so they're available whenever you have the time and access to the Internet.* Learn about new features, quickly get answers to questions, or train new employees with just the click of a button.

Learn how to:

- Connect with customers using integrated social media like LinkedIn®, Plaxo, or Facebook.
- View opportunities that are streamlined for the way you sell.
- Create effective end-to-end marketing campaigns.
- View your business at a glance with dashboards and robust reporting tools.
- Improve operational efficiency with e-mail, mail merge, and Microsoft® Outlook® integration.

Make the most of your investment in ACT! by using it to the fullest extent possible. And get the training you need, when you need it.
